

Give Matthew 28 to Someone You Care About This Christmas

Matthew Twenty-Eight, Inc.

Bringing the Gospel of Jesus Christ to the Central Plateau of Haiti

As you carefully consider your gift giving list this year, we ask you to think about Matthew 28. Why not give a meaningful gift to others in your life this Christmas that will also give life and health and the word of Christ to orphans, children and the suffering in Haiti?

When you make a Christmas gift donation to Matthew 28 in honor of your family, friends, loved ones, co-workers and colleagues, a beautiful gift card will be sent to them by our staff notifying them of your gift just at the right time.

All you have to do is to indicate on your sponsorship form who you'd like your gift to honor, provide their address and Matthew 28 will take care of the rest including marking the honoree's gift card envelope with a "Do Not Open Until Christmas" message!
